

OBSERVATION NOTES AT 30x

RE: INVENTORY ID xx-000-000

The most amazing gems ever dug out of the earth; only from Moneybub.

CARE REQUIREMENTS

GIA CLASSIFICATION: SPECIAL (sc)

SPECIFIC: Avoid sudden temperature changes, steaming, chemicals, and ultrasonic. Avoid swimming and other sporting activity while wearing jewelry containing these items. Cleanse only with cool, potable water and a natural, non-bacterial soap using a cotton wipe. Do not store or package with hardened steel, tungsten, spinel, topaz, cubic zirconia, chrome, corundum, boron, or diamond unless professionally set by a qualified jeweler or goldsmith.

Strongly recommend use of 22K or 24K gold for prong settings.
